In his book on **The Tavistock Institute**, ex MI-5 agent **John Coleman** explains why we **can't trust anything emanating from the mass media or government.**

Like Truman Burbank in The Truman Show, we live in a reality show consisting of actors and facades like a Western movie set.

These facades – democracy, wars, plandemics – are designed to hide the sad truth that humanity is satanically possessed, covertly controlled by a satanic cult – the Illuminati (i.e. Cabalist Judaism/ Freemasonry) – which aims to destroy, dispossess and enslave. Everything is scripted. We are mushrooms, kept in the dark and fed shit.

John Coleman- " The conspiracy reaches right down to the local level. Tavistock has an "invisible army" of actors found "today in the halls of justice, police, churches, school boards, sports bodies, newspapers, TV...town councils, state legislatures, and are legion in Washington. They run for every office..."

God is synonymous with PERFECTION - ultimate Truth, Beauty, Goodness, Justice and Love. The Illuminati are Cabalists (Satanists) who redefine reality to serve their occult dogmas, material interests and obscene perversions.

"The moral, spiritual, racial, economic, cultural and intellectual bankruptcy we are in the midst of today is not some social phenomenon...that just happened. Rather it is the product of a carefully planned Tavistock program," Coleman writes.

John Coleman- Social Reality is Carefully Controlled May 19,2018

How the Elite Plays God | Aug 2016

Henry Makow, Ph.D.

Like a cat toying with a mouse, the elite teases us with glimpses of our true predicament. One such peek was the 1998 movie *The Truman Show* directed by Peter Weir.

Truman Burbank, played by Jim Carrey, is unaware his life is a reality TV show. Everyone, including his wife, is an actor, and everything that happens is staged. In other words, his life is a fraud.

Truman Burbank's predicament describes our own. According to John Coleman, the elite has been writing the script for almost hundred years at the **Tavistock Institute of Human Relations** based in London.

Coleman, now 83, a former British Intelligence officer (MI-6), first exposed the clique that dominates the world in his classic **Conspirator's Hierarchy: The Story of the Committee of 300 (1992)**

As its title suggests, his latest book is a rambling cry of despair: The Tavistock Institute of Human Relations: Shaping the Moral, Spiritual, Cultural, Political and Economic Decline of the United States of America. (Pdf)

The book is confirmation that a financial elite engineered every war and depression in modern history and continues to condition our beliefs and behavior.

According to Coleman, Tavistock began life before WWI to convince peace-loving populations of the need to massacre each other.

"Those fresh-faced young American boys from Arkansas and North Carolina were sent marching off to Europe believing they were "fighting for their country" never knowing that the "democracy" [Woodrow] Wilson sent them to "make the world safe for" was a Socialist-International One World Government dictatorship." (42)

Funded by the royal family, the Rockefellers and the Rothschilds, Tavistock pioneered the techniques of propaganda used to justify war. Outright lies about German atrocities in WWI resonate down through the decades to lies about Saddam Hussein's gassing Kurds and killing babies in Kuwait. Of course, the biggest lie of all is that Muslims had anything to do with Sept. 11.

Coleman found that 94% of the keywords and phrases developed by Tavistock for WWII use "matched up with those used in the Korean War, the Vietnam War and the Gulf

War." (153)

Coleman's main point is *we can't trust anything* the mass media or government tells us, especially not the "News." He cites Stalin's propaganda chief Willy Munzenberg: "All news is lies and all propaganda is disguised as news."

Coleman says society is rotten with institutions and organizations directed by Tavistock to deceive and distort. They are called "elite" institutions because of whom they serve.

The conspiracy reaches right down to the local level. According to Coleman, Tavistock has an "invisible army" of actors found "today in the halls of justice, police, churches, school boards, sports bodies, newspapers, TV...town councils, state legislatures, and are legion in Washington. They run for every office..."

Virtually every important corporation, university, think tank or foundation is linked to Tavistock. (See *Conspirators' Hierarchy* pp. 221-253 for a list.) It chooses the entertainers we watch, the pundits we listen to; the politicians we elect. Every US President since Theodore Roosevelt has been under its control. They made examples of rebels like JFK and Richard Nixon.

Tavistock is behind every "spontaneous" social movement of the last century, including feminism, sexual "liberation", the peace movement, the "New Age" movement, environmentalism, homosexuality, and abortion. Lately, they are behind sex education and the transgender movement.

"The moral, spiritual, racial, economic, cultural and intellectual bankruptcy we are in the midst of today is not some social phenomenon...that just happened. Rather it is the product of a carefully planned Tavistock program," Coleman writes.

We are constantly studied to see how we will react under stress. Orson Welles' Martian invasion in 1938 was designed to demonstrate the power of the "news" to deceive. Coleman doesn't mention it but the power blackout in the Northeast in 2003 was probably another study of mass behaviour. So was Katrina /New Orleans. Confident of our sedated sheep-like behavior, Coleman says Tavistock went ahead and massacred David Koresh and his followers at Waco after lying about his activities. (240).

Tavistock follows Sun Tsu's maxim of "Kill a few; terrorize many." Coleman calls Winston Churchill's decision to bomb German civilians "a war crime." Dresden was "an outright attack on Christianity, timed to take place during Lent," he says. (188)

According to Coleman, Tavistock is waging war on the Muslim world because Islam represents an obstacle to its control. (151) He claims Russia and China still have a measure of independence.

CONCLUSIONS

We are in this jam because a small group of dynastic families has amassed unlimited wealth by usurping the government's money-creation role.

To maintain this unjust advantage, they need to create a "world government" dictatorship. As in any colonial situation, our national elites are chosen by their willingness to collaborate with the occupying power. Most people will do whatever it takes to be "successful". Many think they are free citizens creating a better world.

People find the Illuminati to be an abstract and elusive enemy. Look no further than your television, your iPod, your radio, movie or newspaper.

Coleman says 450 of the Fortune 500 companies get their marching orders from

Tavistock. This may explain why TV commercials seem more concerned with behavior modification than with selling a product. Lately, many commercials present mixed-race marriages and families. I don't oppose intermarriage except when it is someone else's agenda.

Like Truman Burbank, more and more people are recognizing the plot. They are testing the elite's storyline and finding it mendacious and perverse. They are walking off the stage to find an authentic life.
